PUBLICATIONS

Call for Journal Papers

Call for Book Reviews

We are looking for members to submit reviews of books they have read. These can be scholarly non-fiction or non-fiction pertaining to cultural, intercultural and international topics. To express your interest in either of these two activities send an email to Dr. Michael Smithee at: ms@smithecosociates.com.

Scholars and researchers from across disciplines are invited to address issues in international education and studies. The editors welcome papers on topics that can include, but are not limited to, our understanding of international studies, education, internationalization, globalization, teaching and learning in the context of international educational exchange and, within the university classroom, issues regarding curricular development, and other related topics. We welcome critical, qualitative, quantitative, and social scientific perspectives. For more information and guidelines visit: <http://phibetadelta.org/InternationalResearchandReview.php>
